Teaching the Science & Magic of Attitude

Specializing in human potential and communication

Add magic to your communications...

Jennifer offers a variety of highly entertaining, interactive presentations that are ideal for training, conferences, keynotes... all content rich, all using magic.

Half day, full day & two day seminars, on-going consulting and interactive motivational

Jennifer Webb's extraordinary programs combine psychology, magic, Neuro-Linguistic Programming (NLP), Emotional Intelligence and accelerated learning to reach people instantly with messages of inspiration and possibilities.

One of her most popular programs, "Creating a Hero Culture at Work" is designed to propel thinking from challenges and frustration to "can do" and "possibilities". Her core message: *Our attitudes and expectations create our realities and impact everyone around us! To get different results we must change our thinking, change our focus and live from a paradigm of appreciation.*

Programs Include:

- Creating a Hero Culture at Work
- The Magic of Kilimanjaro
- Monster Lies: A Woman's Guide to Controlling Her Destiny
- The Magic of Possibilities: Revealing the Secrets Behind Mega Success
- It's Never Too Late for a Second Chance
- For Women Only: Communicating Confidently and Effectively in a Man's World
- How to Keep Every Audience Mesmerized: Dynamic Speaking Tips for Professionals
- The FIDO Philosophy: How to Forget It and Drive On
- Communicating to Influence, Engage and Empower
- The Integrity of Leadership: Empowering through Trust and Empathy
