

Jennifer Webb

Thought Changer, Keynote Speaker, NLP Coach, Author

Jennifer's extraordinary programs combine magic, psychology, NLP, and Emotional Intelligence to reach people instantly with bold messages of relevancy and content. As a thought changer, keynote speaker, author and NLP coach, her most popular programs are designed to propel thinking from challenges and frustrations to "can do" and "possibilities."

Helping People Turn Thoughts into ACTION!

A few of her prestigious clients include Ernst & Young, American Airlines, Honeywell Space Systems, Microsoft, Samsung, Pricewaterhouse-Coopers, US Air Force & US Navy.

Why Jennifer? Because...

- She helps people realize their talents and potential, leading to exceptional self confidence
- She understands what drives people and invigorates their passions
- She uses NLP to anchor the power of the subconscious, eliminating self-doubt, judgment, and programming future possibilities.

Why Women Think Small: Silencing Your Secret Critic to Live Big

What people are saying about Jennifer.

"I want to express my gratitude for a WONDERFUL program. The staff loved it and talked about it all day. I really think we have made a huge impact on our team for the day, and I can't wait to see how we put your strategies in action."

Kelli A. Murray, Esq.

"To coin a clever segment of her presentation at our 22nd annual "Collaboration in Leadership" conference in San Antonio — Jennifer Webb is a true "Super Hero!" Super in the sense that she is a great communicator — both professionally and personally. She totally held our attention with her many ideas for changing beliefs to get results. Her interaction skills with our group were truly outstanding."

Charles L. Scott
